NOTES

N/O Product not offered in this time period.
 N/A Product not available.

All the returns are based on the unit prices of each option. Returns are net of investment management fees and an allowance for tax on the investment income.
 The performance figures above are based on unit prices calculated as at the end of the month and used for processing two business days later. These unit prices are based on the latest available investment valuations at the time of the unit price calculation, which could involve a one or two day lag when compared to benchmark indices.
