

## Aon Master Trust appoints Head of Business Development

We are pleased to announce the appointment of Nick Kouteris as Head of Business Development for Aon Consulting.

Nick commenced in the financial services industry in 1988 with the Australian Securities and Investments Commission in their Corporate Regulation and Investigation Division. In 1998, Nick joined The Australian Superannuation Group (TASG) working as a Master Trust Consultant. Following the purchase of TASG by Aon in April 2000, Nick has been a familiar face to financial advisers, particularly in the Southern Region, in his role as the Victorian Sales & Marketing Manager for Aon Consulting.

Nick will be relocating from Melbourne to Sydney on 26 April 2007 to take on his new role on a national basis.

At the same time, following his move to Sydney last year, we're pleased to advise that Tom Rogacki will be relocating back to Melbourne on 11 May 2007. Tom will continue in his current Business Development role in the Southern Region and is quoted as 'looking forward to re-kindling some old relationships and establishing some new ones'.

Nick's national role will be expanded to also include the Central Region following Tom's relocation back to Melbourne.

### Tier 3 options closed to new investments

The trustee is completing its three-yearly review of the Aon Master Trust's investment menu. As part of this process, a number of Tier 3 investment

options are closing to new investments, in anticipation of further improvements and investment changes being implemented on 30 June 2007.

Some of the investment changes taking effect include the establishment of two new options in Tier 2 that will offer a defensive and a growth alternative option.

As a result, the options noted below are:

- closed to new investments effective immediately, and
- terminating on 1 June 2007.

Aon Master Trust appoints Head of Business Development

Tier 3 options closed to new investments

Please note that the closures will not affect members currently invested in these options until their termination on 1 June 2007.

In the next few weeks, we will be contacting affected members regarding these terminations and their transfer options. Members will be given every opportunity to select a new investment option with their investment defaulting as per the above table if no selection is made by 1 June 2007. Advisers will receive a copy of the correspondence and details on the new Tier 2 : Alternative – defensive option at the same time.

### Recent applications

Any new investor/switch applications received to date will be honoured.

### New applications

We are updating application and change forms to reflect the closures (see below). In the interim, please use current forms for new investor/switch applications but do not select these options.

### Updated forms

- PDSs: We are updating the forms in the Personal Super and Allocated Pension PDSs to reflect the closures, and the updated PDSs will be available on request by the end of the week.
- Website: New versions of the Personal Super and Corporate Super *Change member details and options* forms and the Allocated Pension *Change pension details* form will be posted to the Aon Master Trust website shortly.

If you have any questions or need any assistance, please do not hesitate to contact your local Business Development Manager or our Contact Centre on 1800 659 152.
