

AIA Australia Underwriting and claims contacts

Direct access to group underwriting and claims teams For Aon advisers

AIA Australia is constantly finding new ways to enhance its service offering to our clients. We are determined to simplify insurance and that starts with open lines of communication.

At AIA Australia we want to make sure advisers are given every opportunity to understand and appreciate the reasons why we formulate an underwriting or claims decision. That's why we've provided direct access to our group underwriting and claims teams.
